Meet & Match events are the place to learn about current trends, innovative research and developments and to exchange on the topic as well as meet and match with likeminded representatives from companies and applied research.

This online Meet & Match event focuses on future medicine, which aims to be predictive, preventive and precise.

Join this event to receive insights into current trends, technologies as well as research and development in the field from Baden-Württemberg and the United Kingdom.

The talks of this Meet & Match range from precision medicine, new therapeutic approaches, diagnostics, preventive or predictive biomarkers to artificial intelligence supported decision tools & -imaging, ehealth solutions and many more.

Both countries, Baden-Württemberg/Germany and the United Kingdom are in excellent positions in the field with strong clusters of innovative companies and applied research institutions. The event highlights current topics and innovative developments in the field and offers networking opportunities for representatives in research and development from companies and applied research. Thereby, the event encourages to establish new contacts, business relations as well as to initiate cooperations or joint developments between stakeholders from Baden-Württemberg and the United Kingdom.

Why participate?

- Inspiring lectures on current trends and projects in the field
- Present your company or research group in the short presentation session (application is mandatory until April 27 within the registration, number of participants is limited, the selection is made by the organiser)
- Present your company/research institution with a short profile as well as your offers and partners/technologies your organisation is currently looking for in the online platform
- Establish new contacts and initiate collaborations and projects by taking part in the one-on-one online meetings in the afternoons.

This Meet & Match is part of the activities of the Economic Partnership Initiative Baden-Württemberg | United Kingdom initiated by the Ministry of Economic Affairs, Labour and Tourism Baden-Württemberg, the British Consulate General and the UK's Department for Business and Trade. It is jointly organised by BIOPRO Baden-Württemberg with support of the Department for Business and Trade, Scottish Development International, Welsh Government, London & Partners.

The participation is free of charge. Registration is mandatory.

More information on the **programme,** see registration website.

Chancen nutzen, Herausforderungen meistern

Partnerschaftsinitiative BW-UK

Im Rahmen der Partnerschaftsinitiative BW-UK, die vom Ministerium für Wirtschaft, Arbeit und Tourismus Baden-Württemberg ins Leben gerufen wurde, sollen bestehende Geschäftsbeziehungen zwischen BW und UK gestärkt werden und neue Kooperationen zwischen den beiden Wirtschaftsregionen entstehen. Die BIOPRO Baden-Württemberg unterstützt diese Initiative bei Themen aus der Gesundheitsindustrie. Wir helfen Unternehmen aus beiden Regionen dabei, sich einen besseren Zugang zum jeweils anderen Wirtschafts- und Forschungs-Ökosystem zu sichern.
