To the registration

The GoDanuBio consortium is pleased to invite you to a two-day Final Conference, which will take place on 15 November 2022 in Belgrade and 16 November 2022 in Novi Sad.

The conference will explore topics such as policy support and funding, bioinnovation and best practices, as well as the results of the project GoDanuBio. It's expected that the event will unite both local, regional and international stakeholders.
