The following text does not reflect the entire content of the announcement, but contains individual extracts from the guideline.

PRECISEU invite to participate in the second edition of the PRECISEU Best Practice Recognition. The program honors outstanding achievements, innovative approaches, and exemplary concepts in use of health data for public health improvement or healthcare delivery and are innovative in the fields of ATMPs.

Dedication and success deserve to be showcased to a broader audience and serve as a source of inspiration.

PRECISEU Best Practice Recognition offers you the opportunity to present your proven methods, connect with valuable contacts, and engage with other leading experts in your field. Additionally, recognized participants will receive official recognition and be highlighted in various publications and on our platform.

Why should you participate?

- Recognition: Your achievements will be officially acknowledged. We will announce and celebrate winners in June 2026 in Sofia at the Spinoff Europa Conference 2026, Bulgaria.
- Networking: Connect with other experts and establish new relationships.
- Visibility: Your best practices will be shared across relevant networks via our 25 partners involved in PRECISEU all over Europe.

Categories for the second edition of the PRECISEU Best Practice Recognition:

- **IMPACT:** for academic-business partnerships driving significant healthcare improvements
- **INNOVATION:** for SMEs and startups revolutionising patient care with advanced therapy medicinal products (ATMPs)
- **EXCELLENCE:** for organisations leading in health data accessibility, safety, and inclusivity.
- **CULTURE:** for organizations that have developed best patient involvement and public engagement

The call for applications is open now and we invite you to submit your best practice or to encourage deserving candidates. The submission deadline is **12 March 2026.**
