The following text does not reflect the entire content of the announcement, but contains individual extracts from the guideline.

Are you interested in artificial intelligence? Let us research your ideas together!

Would you like to have the feasibility of an idea or technical innovation from your company checked? In our **Quick Checks** Your innovative ideas will be analyzed and approaches will be developed together.

Are you already working with artificial intelligence or robotics and want to ensure your AI deployment is compliant with the law? In our **Legal Quick Checks** Let's analyze your specific AI use case from a regulatory perspective and jointly define the next necessary steps for compliant implementation.

We are happy to support you with your individual application.
Just talk to us.

Apply now for a Quick Check:

- **Application deadline October 22, 2026 - 5 pm.**
- Companies with fewer than 3000 employees and their headquarters or at least one branch in Baden-Württemberg have the opportunity to apply for the subsidized quick checks.
