Registration form BW-UK networking evening at MEDICA 2026

Join us for the BW–UK networking evening at MEDICA 2026 on 18th of November 2026 at the joint Baden-Württemberg booth (G24), hall 15. This event brings together Baden-Württemberg and United Kingdom representatives from medical technology companies to connect, exchange ideas, and explore potential cooperations. Ahead of the evening, a Lunch & Learn-event on 4th of November (online) offers insights into R&D funding programmes from Germany and the United Kingdom. We're looking forward to a convivial networking evening with finger food and drinks to round it off.
