Lunch & Learn ahead of MEDICA: Collaborative R&D funding for healthcare innovation in UK and Germany

During the online 'Lunch & Learn' event, you will gain a concise overview of the healthcare markets in Baden-Württemberg and the United Kingdom, as well as specific opportunities for collaboration. Experts will then explain the R&D (Research & Development) funding processes in Germany and the UK, supplemented by case studies from medical technology companies. Via the integrated matchmaking platform, you can find suitable contacts and arrange meetings in advance – as targeted preparation for the BW–UK networking evening at the trade fair MEDICA (18th of November, 2026, Baden-Württemberg joint booth G24, hall 15, Messe Düsseldorf) – to deepen and further develop collaborations on the ground. We look forward to your participation!
